# Hit a Home Run with the Canterbury Woods PTA!

## Join the Team Now!

### Why join the PTA?

**Be in the know**—PTA helps you keep up with what’s happening at CWES. And you’ll find out what you can do to make a difference for your child and to make your school even better.

**Make connections**—get to know the other families in our community, as well as teachers and school administrators, enhancing the home–school partnership

**Help your school**—your membership dollars (about 3 cents a day for the school year) sponsor a variety of programs and activities designed to meet the needs and interests of our membership—parents, students, and teachers. Your PTA-sponsored volunteer activities provide valuable resources to school activities and operations, too.

**Be part of the solution**—PTA has been a driving force in establishing school lunch programs, afterschool programs, community safety initiatives and more. You can play a part in improving the world for your child.

**PTA Benefits**—receive electronic newsletters from CWES PTA and access great resources

Thanks for your support!
