CWES Students Receive 8 Fairfax County Level Reflections Arts Awards!

PTA Reflections Arts results are in from the Fairfax County Council (Cluster 3) level, and CWES students have received a total of eight awards! Katherine Barbano, Sophia Bitner, Kyle Gatesman, Ameer Kapadia, and Rachel Ogea all received Outstanding Interpretation awards and their works went up to the Northern Virginia District level. In addition, Emma Brahmey, Ameer Kapadia, and Nava Kiss all received Awards of Excellence. Congratulations to these students!

CWES School Level Reflections Arts Results Are In!

CWES student artists' creative juices were flowing for this year's **PTA Reflections Arts** program! A total of 36 works of art were submitted to express this year's theme – "Together We Can" – in five art categories. Community professionals in various arts fields judged the entries and were impressed with the talent shown by CWES students! We are pleased to announce the following school-level results for this year's Reflections Arts program. "Outstanding Interpretation" awardees will represent CWES when their works are sent up for judging at the next level – Fairfax County Council. School Award of Excellence and Award of Merit recipients are also listed. (Grey means no additional entries were submitted for that art category in that grade division.)

Congratulations to Sarina Phipps, winner of the \$25 Target gift card raffled off to students who submitted entries by the Wednesday before the Fun Fair!

Congratulations to all students who received Reflections awards *and* to all students who participated in the program this year! Your initiative and creativity are applauded! All students who participated will be recognized in a school Reflections award ceremony in 2011. Questions: a.kapadia@cox.net or sjmurray006@verizon.net
